Sales@comluxindia.com / www.comluxindia.com

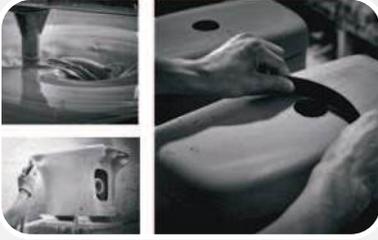

From its start Comlux as an enterprise has been standing for innovative, excellent design, modern but not adherent to fleeting trends. And, for our fresh and young enterprise, sustainability and resource saving plays a vital role in procuring, developing, and distributing our product line. Over ten years Comlux thus has resolutely clung to the idea of a new modern bathroom culture.

Comlux's outstanding Quality provides you :
" A Comfortable Living in a Luxurious seclusion."
Superlative design, stylish flair and unbeatable quality is at the heart of Comlux's business philosophy.

Stainless Steel Showers	2 Years	1 Year
Shower Drains and Floor Drains	1 Year	6 Months
Seat Covers	1 Year	6 Months
Health Faucets and Shower Hose	1 Year	6 Months

During the Warranty Period if, in the opinion of **Comlux** India, the defect is due to defects in the material or workmanship, **Comlux** India or its Authorized Service Franchisee/Representative will, at its sole discretion, repair free of cost, any defective component or part of the product, subject to the terms and conditions described below:

1. **Comlux** India sells its Product only through Authorized Sales Channel. Any Product purchased through unauthorized Sales Channel can be void of Warranty and after sales services.
2. **Comlux** India or its Authorized Service Franchisee/Representative solely can service/repair the Product.
3. **Comlux** India is not bound by any obligation to carry out repairs in specified time period, while every effort will be made by **Comlux** India to carry out repairs at the earliest.
4. This warranty is only effective if proof of purchase (original sales/purchase Tax Invoice) is provided with all warranty claims or requests. This warranty is not transferable and confined to original purchaser/ first purchaser of the product only. Customers are therefore required to keep the original invoice of the product safely.
5. The service/repair of the warranty shall be provided only within the municipal limits of the town or city where an authorised **Comlux** dealer is located or Authorized Service Representative is located.
6. This warranty does not include payment of or responsibility for any excise duty, central taxes, state taxes and octroi or other local taxes assessed to the parts supplied or repaired during the warranty period. The same shall be borne by customer.

7. Warranty Period shall not be extended for any reason whatsoever, including but not limited to:
 - In case the Product has not been installed after purchase or has not been in use for any part, or whole of the Warranty Period
 - Due to time consumed for the repair/replacement of parts including transit of the parts/Product.
8. This warranty Specifically excludes and rubber components or any other consumables.
9. This warranty does not cover problems arising from insufficient water pressure, excessive water impurities/hardness beyond the norms of drinking water or improper care and cleaning. **Comlux** India is not responsible for labor charges, installation or other incidental or consequential expenses. All such costs shall be borne by the Customer.
10. This warranty remains applicable only if the product has at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled. Improper handling of the products, or improper installation, care and cleaning will automatically terminate and nullified this warranty. Guidelines for proper care and cleaning are mentioned below.
11. In case of natural marble stone products, it is likely to have variations in color, and or finish of the product. Among the characteristics of natural stones are the presence of various veins, colors, shades, minor cracks and pin holes. They are part of naturalness of the product and not a defect. Each piece may slightly differ from the other
12. The Decision regarding this warranty by **Comlux** is final and binding. Its an exclusive written warranty by **Comlux** applicable in India.

INSTRUCTIONS

Care and Cleaning tips for Showers, Faucets & Steel Basins

1. Always test your cleaning solution on an inconspicuous are on the Product before applying to the entire surface.
2. Use a mild detergent (such as dishwashing soap) Do not use abrasive cleaners.
3. Use a soft, dampened sponge or cloth to clean, never use abrasive material like a bristle brush or scouring pad.
4. Rinse and be sure to wipe the entire surface dry. The ideal cleaning technique is to always blot dry any water from metal surfaces. Allowing water to evaporate on metal will form water deposits. It is important to use a dabbing action to dry metal, not a rubbing action. Cleaning with a damp sponge and buff drying should keep your faucets and fittings looking beautiful.

**** Never use cleaners containing abrasive cleansers, ammonia, bleach, acids, waxes alcohol, solvents or other products not recommended for chrome or PVD. This will void the Warranty.**

Care and Cleaning tips for Showers and Faucets

1. Always test your cleaning solution on an inconspicuous are on the Product before applying to the entire surface. Do not use acidic, or abrasive products for cleaning.
2. Do not expose the product to direct sunlight.
3. Do not allow cleaners (such as soap or Harpic) to sit or soak on the product.
4. Wipe surfaces clean and rinse completely with water immediately after applying cleaners.
5. Use a soft, dampened sponge or cloth to clean, never use abrasive material like a bristle brush or scouring pad.
6. Wherever gold, or any other special color or finish is used on Ceramic Products, use only warm water to clean, and then, dry the surface with a soft cloth.
7. Clean the Product with just a little soap and a damp cloth. Then simply rinse off and wipe dry. You can prevent lime scale by drying the Product after each use. Avoid contact of cleaning product with any external designs or toilet seats.

**** Never use cleaners containing abrasive agents (Harpic etc.), on toilet seats or outside decorative finishes. This will void the warranty.**
